What Makes ONE Extraordinary Marriage Different?

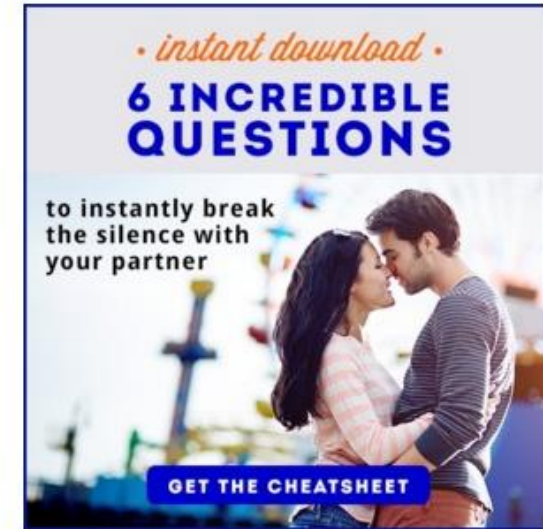

About Us

Welcome and thank you for taking the time to stop by and learn about what makes us so passionate about what we do and why we've chosen this path. We believe that the healthy combination of sex, love, and commitment is more than the foundation of a strong marriage... it's the glue that will keep a marriage together.

What has taken us on this journey, you ask?

Well, a combination of things. Both bumps in the road and a ton of work... and recognizing that valuing our marriage means giving it time and attention (and a lot of TLC) so it grows and flourishes.

**Romance your
spouse throughout
the day...**

**Take the

Deal with low sex drive...

A photograph of a man and a woman walking away from the camera on a paved path. The woman, on the left, is smiling and looking back over her shoulder. She has dark curly hair and is wearing a dark long-sleeved shirt and a pearl necklace. The man, on the right, is wearing a blue polo shirt and jeans. They are holding hands. The background shows a grassy area, trees, and a white house with a porch. A car is partially visible on the right. The entire image has a warm, orange-red tint.

Think outside the bedroom...
